What is Leadership Clear Lake?

The Leadership Clear Lake program is designed to educate and equip the future leaders of our region by providing them the skills they need to excel. The program focuses on personal and professional development as well as community study and involvement.

The skills learned through Leadership Clear Lake will affect the way you think about your career, community, and society. The program includes:

- Insights Personality Assessment Test
- Interactive Learning Experiences
- Community studies (field trips) to local businesses and organizations

Before joining Leadership Clear Lake, I was looking for ways to grow professionally and prepare for future leadership opportunities. The program opened my eyes to the people, organizations, and challenges that shape our community, and it gave me a front-row seat to what strong, effective leadership looks like. I'm grateful to the City of Seabrook for giving me the opportunity to participate, as the connections I made and the experiences, I had have fueled my professional growth and strengthened my vision for serving both my organization and my community in meaningful ways.

- Kiarra Bellow, City of Seabrook, Class of 2025

Leadership Clear Lake was a very engaging and diverse experience that continues to benefit me both personally and professionally. The program led me to take an introspective look into myself as an individual and provided invaluable insight into the importance of great leadership. I obtained many takeaways that I still continue to implement in my own career. I'm grateful for the opportunity to have been a part of this program which helped lead me on a journey to strive to be a better leader. No matter what stage you're at in your career, Leadership Clear Lake has something to offer everyone.

- John Herman, AMOCO Federal Credit Union, Class of 2021

LEADERSHIP CLEAR LAKE FAQ's

About Insights Discovery

The Insights Discovery Personal Profile is a personal development tool which gives individuals an engaging, reinforcing, and transformational insight into themselves and others.

To receive the profile, individuals complete a 25-frame evaluator. The output is a 20+ page profile which helps recipients gain a detailed understanding of their personal style and how this impacts their relationships in both personal and professional environments.

Celebrating the uniqueness of each person, the profile illustrates how recognizing and valuing difference can empower individuals, teams, and entire organizations.

About our Guide

There is so much value in relationships and personal growth. Leadership Clear Lake provided multiple opportunities to cultivate lifelong relationships and growth on a personal and professional level. We started with a strong foundation with the Insights Discovery and were able to use that knowledge to build month over month. The field trips helped support what we learned and gave us an opportunity to see things in action in our community in all different aspects of education, legislative, industry, small business, nonprofit, etc...
